

Savol Pool Supplies

Pool Chemical Season Program

Savol Pool Supplies has unveiled the latest program available to pool owners, the “Pool Chemical Season Program”.

Depending upon the size of your pool, Savol will deliver the appropriate amount of pool chemicals that should last the season under normal circumstances.

Complete the form below, and Savol will compute the amount of chemicals necessary for your pool.

This program will save you shopping time, prevent running out of chemicals during the season, and save you money.

Any homeowner purchasing this program will receive the following:

- 1. 10% discount on the pool chemical package**
- 2. FREE 1 full case of Savol gallon liquid pool shock**
- 3. 10% discount on pool closing in the fall**
- 4. 10% discount on pool opening in 2010**

Please complete the information below to determine your pool chemical needs:

Pool Size: _____ Pool Gallons: _____

Chlorine Type used: Granular, Slow Tabs, Quick Tabs, Sticks, Liquid Chlorine

Following is the list of the chemicals included in the pool chemical package:
